

CO-EDITOR'S NOTE

Date: July 20, 2023

Dear Readers,

It is with great pleasure and enthusiasm that I welcome you to the latest edition of the Atishay Kalit Journal. As the Co-Editor-in-Chief, I am delighted to present to you an assortment of inventive research articles, thought-provoking analyses, and innovative contributions from distinguished scholars and researchers around the country.

This issue is a demonstration of the commitment of our contributors, reviewers, and editorial board members who continually strive for excellence in advancing knowledge within their respective fields. Their dedication to rigour and integrity ensures that each publication in Atishay Kalit upholds the highest standards of academic research and knowledge.

In this volume, we are privileged to showcase an array of research papers covering diverse disciplines, addressing critical issues, and presenting fresh perspectives. The contents range from fundamental theoretical explorations to practical applications with real-world implications. It is our hope that this compilation will not only expand the boundaries of existing knowledge but also inspire future researchers, scholars and the academic community for further investigation and engagement in these areas of research.

As we continue to evolve, we are continuously refining our review processes and adopting best practices to maintain the integrity and quality of the articles we publish by plagiarism report, authors are responsible for their work with integrity. We encourage transparency and fairness in peer review, providing constructive feedback to authors to enhance their contributions and foster intellectual growth.

I would like to express my heartfelt gratitude to our esteemed reviewers who devote their time and expertise to critically assess the submissions, offering valuable insights that elevate the quality of the published work. Your dedication to maintaining the high standards of academic integrity is pivotal to the success of Atishaykalit.

Furthermore, I extend my appreciation to the authors for entrusting us with their research. Your efforts are shaping the future of academia and leaving a lasting impact on your respective fields.

To our readers, thank you for your continued support and interest in Atishaykalit. Your enthusiasm and engagement inspire us to strive for excellence in serving the academic community.

Finally, I invite researchers, scholars, and academics from all disciplines to submit their original research works with publication expenses to Atishay Kalit in the given timeline for Lotus and Rose issue. For more details contact: ritapratap52@gmail.com or +91-9314631852. By sharing your insights and discoveries with us, you contribute to the vibrant exchange of ideas and the advancement of knowledge across the globe.

Thank you for being an integral part of our academic journey. We look forward to your continued participation and support as we endeavour to make Atishay Kalit an even more influential platform for scholarly discourse.

Wishing you an insightful and rewarding reading experience.

Sincerely,

Dr. Shashi Goel
